WELCOME

A MESSAGE FROM WARRICK MAC NICOL

Hello runners and fellow running enthusiast,

As the founder of the Emirates NBD Burj2Burj Half Marathon, I am thrilled to extend a warm and hearty welcome to you all.

It was with immense excitement and pride that we announced this WORLDS ICONIC event, set to take place on January 21, 2024,. A first ever in the history of Dubai, a Half Marathon between two of the worlds iconic Burj's.

Our vision for the Emirates NBD Burj2Burj Half Marathon, is not to just create another race, but to rather redefine the entire experience for the athletes, in the Middle East, and for others from around the world.

We are dedicated to placing your needs and experiences at the forefront of everything we do,, while striving to make this event a true game-changer.

Get Ready! Lace Up,! Push Your Limits!! As the Emirates NBD Burj2Burj promises to be one of the fastest courses and is set to break records, while embarking on a memorable journey.

The stage is set for a new era in sports events within this region.

I will 'See YOU at the finish'!

Warrick

ABOUT THE RACE

A Race BY Runners, FOR Runners.

The two-day registration process kicks off at Burj Park, setting the stage for what's to come.

On race day, runners will start on Um Suqeim Street, with the magnificent Burj Al Arab gracing the backdrop,, as they embark on their journey.

The route takes participants along the picturesque Jumeirah Beach Road, providing breathtaking views of the Arabian Gulf..

As runners progress, they'll cross over the canal and pass by the impressive Big Flag and Etihad Museum, steeped in the heritage of Dubai.

The course then leads over Sheikh Zayed Road, offering an electrifying atmosphere, with live bands, cheerleaders, and entertainment along the way.

The grand finale awaits beneath the towering Burj Khalifa, where participants will complete their run.

The post-race experience is equally rewarding, offering an athlete zone which provides all the necessary amenities and nourishment for recovery.

Afterwards, join friends and family in the race village, where beer gardens, live music, and kid-friendly zones will keep the festivities alive until 3 pm.

BURJ BURJ

WORLD'S
IC**ONIC**

SUSTAINABILITY

**There's no 'running' from the need to be sustainable and to
Protect Our Planet**

**The Emirates NBD Burj2Burj is committed to taking the right steps to become a fully
carbon neutral event by 2025.**

Events can be challenging to host without causing environmental impact, however we're taking every step possible to ensure this race doesn't negatively impact the World.
We are on the road towards sustainability!

WHAT ARE WE DOING NOW?

We're located on the Metro route, thus minimizing car travel to and from the event.
We have a plastic-free solution for the waste of water bottles.
Food and materials will be recycled and there will be an audit on the impact of our event.
Preparation and production has been selected that will help shape future years events.

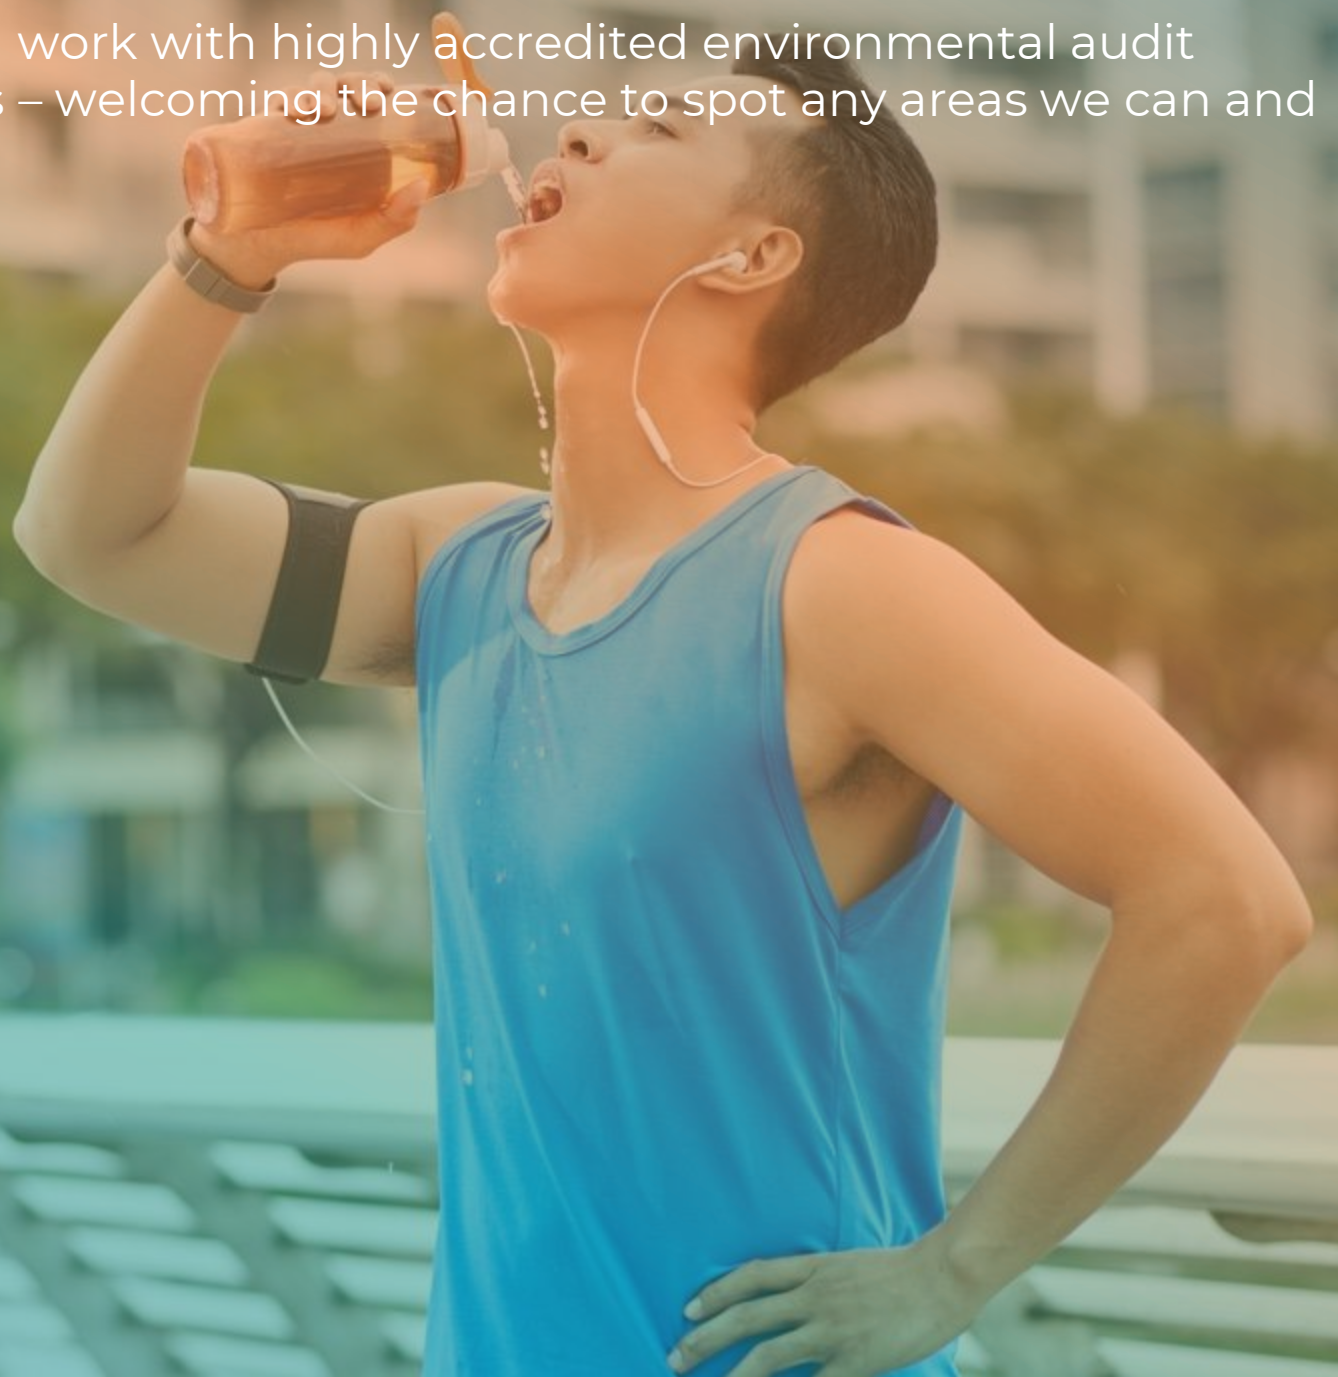

This also applies to our production partners and sponsors, whose services and support for the event, who will mandatory all follow sustainable best practices, and implement plans to shift to better solutions so as too remain our partners.

HOW WILL WE IMPROVE AND PROVE WHAT WE DO?

What we can't save and deliver without waste we will be offsetting – the challenge of which will grow as we attract more international runners and interest in the following years. From 2024 we will offer offsetting for all flights, local travel and event production, attracting a sustainability sponsor, to fund truly transparent and deep sustainability planning, accounting and communication.

We won't greenwash the event – we will work with highly accredited environmental audit partners and share data openly to critics – welcoming the chance to spot any areas we can and should be addressing.

Join us in the greatest race of all!
